AGM 2009: The Day of Accountability

Dear

We are now coming to the end of the year 2008-2009. At this stage I want pay my special thanks to you for your participation and valuable suggestions during the whole year. This has been a great encouragement for us. In response to members’ participation and feedback we have continuously been monitoring and reviewing our strategic policies and have put our best efforts to run the Association in its best possible way.

The AGM 2009 will be held according to the following schedule.

AGM 2009

Date: Sunday 22 March 2009

Time: 3:00pm to 6:00pm

Venue: Arbury Community Centre, Campkin Road, Cambridge CB4 3LD

Agenda: Please see on the other side

Only members are eligible to attend the AGM. However, new membership will be accepted on the day. Membership forms can be downloaded from our website.

In the last AGM the committee was elected for the next three years, so there will not be any formal election this year. However, due to retirement of few committee members, we urgently need few more committee members. If you are able to help in any capacity during the year 2009-2010 then please get in touch as soon as possible or just turn up on the AGM day and tell the Chairman.

The Day of Accountability

I want to draw your attention to the fact that this year the AGM will be celebrated as an Accountability Day. The whole committee will happily present itself before the members, giving them an opportunity to raise any questions or issues that they have not been able

to discuss previously. Moreover, all members of the management committee will present individual reports about their contributions during the whole year. I want to assure you that this will be your day so please do not have any hesitations. Please take full advantage of this and feel free if you have any queries or even any criticisms. All of your questions will be answered in light of the Association's overall policy and vision with an open mind without any negative reaction or anger. Any suggestions to improve the Association's performance will also be welcome.

Agenda for the AGM

- Annual report by the Secretary
- Accounts report by the Treasurer
- Individual reports by the members
- Appraisal by the Chairman
- Question and answer session
- Any proposed amendment in the constitution
- Refreshments

We look forward to your continued support and co-operation.

Yours Sincerely

Mirza Yousaf Baig
(Chairman)
